

I love cake

I hate bugs

I have empty piano stand

I want a piano

My friends say I am a jew

My family says I am jew

One day I will design building people would stare at

I will never give up

My favorite foods are Chicken, Rice, and anything
else that taste good

I'll never eat insects

I feel sad when I have to much homework

I feel happy when im hanging out with my friends

I feel safe when im chilling in my room

I feel scared when I wake up I the middle of the night
and I hear dogs bark
